

Overview

EuMBC

The European Masterbatchers & Compounders

EuMBC - Who we are

The voice of the European Masterbatchers and Compounders

- An association of companies who have manufacturing operations in EU, EEA* and Turkey
- A Sector Group of EuPC, the European Plastics Converters
- Created in 2001 as ETHIC and totally revamped in 2014 in order to expand for the benefits of the membership

** The European Economic Area covers EU27, Norway, Iceland, Liechtenstein*

EuMBC – Our Mission

- **To represent the European Masterbatchers and Compounders**, and to stimulate their role across the entire plastics value chain.
- **To monitor and be involved in EU regulatory developments and compliance** and to provide information and expertise about our business.
- **To protect the interests of our industry** from other adverse business impacts such as trade issues.
- **To increase the visibility of our role** as Masterbatchers and Compounders vis-à-vis other European associations and the European institutions.
- **To act in a responsible manner and in accordance with competition laws.**
